Profile

I have 4 years commercial experience working with clients. I have worked on a multitude of web and print based projects for a range of clients providing Web Design (Photoshop, Illustrator) and Development (HTML, CSS, PUG, LESS, SASS, Gulp, GIT, JS, jQuery, PHP, WordPress, WooCommerce, Bootstrap, Responsive Layouts), eCommerce Solutions, Corporate Branding and Graphic Design.

As a freelance web developer and designer I collaborate with several web developers in Australia, at the same time maintaining clients in Europe and the USA. I am currently working in Ukraine. I am always available to discuss your project over the phone or via Skype.
