Profile

I have 4 years experience working with clients. I have worked on a **multitude of web and print based projects** for a range of clients providing **Web Design** (Photoshop, Illustrator) and **Development** (HTML, CSS, PUG, LESS, SASS, Gulp, GIT, JS, jQuery, PHP, WordPress, Bootstrap, Responsive Layouts), Corporate Branding and Graphic Design.

As a **freelance web developer and designer** I collaborate with several web developers in Australia, at the same time maintaining clients in Europe and the USA. I am currently working in Ukraine. I am always available to discuss your project over the phone or via Skype.
